

# 2024 International Conference on Structural Engineering and Construction Technology

<http://www.icsect.net/>

**2024 International Conference on Structural Engineering and Construction Technology (SECT 2024)** will be held in **Nha Trang, Vietnam** during **March 22-24, 2024**. SECT 2024 aims to provide a forum for researchers and practitioners involved in different but related domains to confront research results and discuss key problems, giving impetus to high quality research on digital manufacturing. SECT 2024 is soliciting the original and high-quality submissions in the related areas.

## Topics

Advanced and Sustainable Materials  
Architectural Management, Beach Erosion  
Blast Engineering, Bridges and Special Structures  
Building Information Modeling, Building Pathology  
Case Studies, Concurrent Engineering  
Creative and Optimal Design, Fall Protection  
Elements of a Safety Program, Engineered Reefs  
Fire Engineering, Form Finding Architecture  
Green Design, Harbor Designs  
Infrastructure Engineering

More topics: <http://www.icsect.net/cfp.html>

## Call for Papers

March 22-24, 2024  
Nha Trang, Vietnam

## ★ Publication

**International Journal of Structural and Civil Engineering Research (IJSER)**

ISSN: 2319-6009 (Online)

DOI: 10.18178/ijser

Abstracting/Indexing: Google Scholar,  
Cross-ref, CNKI, etc.

**Submission Deadline:** January 30, 2024

**Notification Date:** February 20, 2024

**Registration Deadline:** February 28, 2024

### ★ Submission

Electronic Submission System:

<http://confsys.iconf.org/submission/sect2024>

### ★ Template:

<http://www.icsect.net/IJSER-template.doc>

### Contact:

Ms. Sylvia Chan
