

2025 the 2nd International Conference on Structural Engineering and Construction Technology

<http://www.icsect.net/>

Call for Papers

March 21-23, 2025
Sendai, Japan

SECT 2025

★ Publication

SECT 2025 conference proceedings by
AIP

Abstracting/Indexing: Scopus (Elsevier),
CPCI (part of Web of Science), Inspec, CAS,
etc.

Submission Deadline: January 20, 2024

Notification Date: February 10, 2025

Registration Deadline: February 25, 2025

★ Submission

Electronic Submission System:

<http://confsys.iconf.org/submission/sect2024>

★ Template:

<http://www.icsect.net/IJSCER-template.doc>

Topics

Structural & solid mechanics

Structural dynamics

Steel structures

Advanced and complex structures

Composite materials and structures

Structural health monitoring

Infrastructure systems

Modern construction management

Innovative Structures

More topics: <http://www.icsect.net/cfp.html>

The 2nd International Conference on Structural Engineering and Construction Technology (SECT 2025) will be held in **Sendai, Japan**, from **March 21-23, 2025**. SECT 2025 offers a platform for researchers and professionals to share insights and discuss innovations in digital manufacturing and construction technology. The conference invites original, high-quality submissions in these areas. Join us to explore new research and industry trends.

Committees

• Conference Chairs

Vladimir Khovaylo, National University of Science and Technology, Russia

• Conference Co-chair

Rie Umetsu, Tohoku University, Japan

• Program Chairs

Laichang Zhang, Edith Cowan University, Australia

Shigeru Sakuta, Institute of Technologists, Japan

Sinin Hamdan, Universiti Malaysia Sarawak, Malaysia

Solomon Leung, Idaho State University, USA

Terry Yuan-Fang Chen, National Cheng Kung University, Taiwan
